MEMORANDUM FOR: [REDACTED]

SUBJECT : Compliance with Executive Order 10590

[REDACTED] tells me that we were correct in our understanding that no action could be taken regarding the Agency's compliance with Executive Order 10590 prescribing Fair Employment Policies and Procedures until the Committee's Regulations were received early in April.

The Agency Regulation referred to in paragraph 2. was prepared in the Office of Personnel under the supervision of the Employment Policy Officer and has been coordinated with the Director of Security, General Counsel, and the Inspector General. It is my understanding that with minor exceptions due to our peculiar security problems, it is a transcription of the Committee's Regulation.
